Information of Human
Rights Counseling Offices

 The Human Rights Bureau of
the Ministry of Justice
National Association of Civil
Rights Commissioners

Your problems might be infringements of your human rights.

A hairdresser refused to cut your hair.

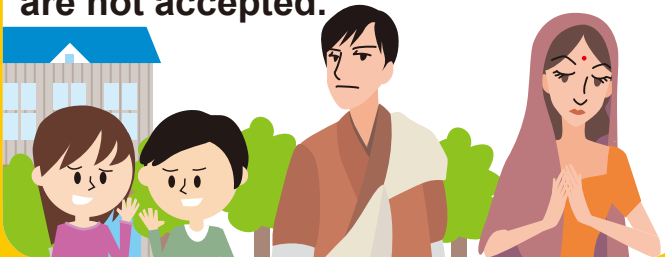

You were not allowed to rent an apartment.

Your children are bullied at school.

Differences of customs and habits are not accepted.

**Don't worry alone.
Consult with us, first.**

- The Legal Affairs Bureau provides Human Rights Counseling Offices for Foreigners at 10 locations nationwide with interpretation service available for those who are not comfortable speaking Japanese.
- We also offer a Foreign-Language Human Rights Hotline (Navi Dial), which provides telephone counseling in English and Chinese.
- We will work with you to think about the best solutions for your problems.

Telephone counseling

Face-to-face counseling

Mediation

We mediate in discussions.

Warnings and requests to violators

We demand that those who commit human rights violations improve the situation.

Advice and referrals

We provide referrals to specialist agencies that can provide legal advice.
